TO FIND ZONING FOR A PROPERTY

FIND the name of the street in the alphabetical listing and locate the range in either odd or even number group based on the municipal number of the property.

REFER to the neighbourhood code number which is beside the address range.

THEN find the neighbourhood maps which are arranged alphabetically and numerically for quick referencing.

EXAMPLE

TO locate 100 Bay Street South, look for Bay Street South in alphabetical listing and the range of even numbers that contains number 100.

NEIGHBOURHOOD code — 41.

REFER to page 41 in the Neighbourhood map section to find property and respective zoning.

An aerial photograph showing a large, irregularly shaped, light-colored area, possibly a field or a large building, surrounded by a dashed line. The area is labeled "U.S. 70" in the upper left corner. The surrounding area is a dense urban grid with streets and buildings. There are three small triangles marking specific points: one in the top right corner, one on the left edge near the top, and one in the center of the large light-colored area.
